Re: Finsky v. JP Morgan Chase & Co.  
07 Civ. 3328 (CM)

Dear Judge McMahon:

Our opposition papers addressed to defendant's summary judgment motion are due today. I have spent much of the last two weeks on two unexpected hearings, which have taken up most of my work days.

We request, therefore, that we be allowed until June 8, 2008 to file an opposition.

We will make no other requests for an extension.

Defendant consents to this request.

Your courtesy is appreciated.

Respectfully submitted,

  
Arthur Z. Schwartz
